

EASY-TO-USE ADAPTERS BRING HANDS-FREE CONVENIENCE TO PBX AND ACD SYSTEMS AND JUST ABOUT ANY PHONE

UNIVERSAL MODULAR ADAPTER

One easy-to-use model, one ergonomic design, one great hands-free solution.

- **Easy to Install and Use.** Compatible with almost all phone systems and a variety of Plantronics headset styles.
- **Easy Adjustability.** Separate controls permit independent adjustment of transmit and receive volumes.
- **Easy One-Button Select** for headset or handset function.
- **Easy to Hear and Be Heard.** SoundGuard® Plus™ and Call Clarity technology sets a new standard for sound quality.
- **Easy on the Ears, too.** Automatic gain control system keeps in-coming sounds at comfortable hearing levels.

Now there's an easy answer to all your hands-free communication needs: the Plantronics M10 Universal Modular Adapter.

The M10 works with your choice of Plantronics headsets to deliver the precise level of comfort, audio performance, and hands-free convenience that's just right for each user and every application.

M10 features include near-universal compatibility with both single- and multi-line telephones; ergonomically-designed Volume, Headset/Handset select, and Mute controls; handy Quick Disconnect™ between the adapter and the headset; and light-weight 10-foot coil cord.

PLUG PRONG ADAPTER

The easy way to bring hands-free convenience to PBX and ACD operators.

- **Easy to Install and Use.** Dual-prong adapter plugs into operator consoles, PBXs and most ACDs and works with a variety of Plantronics headset styles.
- **Durable and Portable.** Rugged design allows unit to be easily and reliably moved between stations.
- **Easy to Hear and Be Heard.** SoundGuard® Plus™ and Call Clarity technology delivers clear, crisp sound for you and your callers.
- **Easy on the Ears, Too.** Volume and automatic gain control keep calls at a comfortable listening level.

PBX and ACD operators can enjoy the comfort and convenience of Plantronics' technology with the Plantronics P10 Plug Prong Adapter.

The P10 works with your choice of Plantronics headsets so you can choose the style that best meets your application needs. Just plug the P10 adapter into your operator

console, PBX, or ACD, then plug in your headset. The P10 delivers Plantronics' famous sound quality and ease of use. Its volume and automatic gain controls let you adjust incoming calls to a listening level that's comfortable for you. Comes with handy Quick Disconnect™ feature and 10-foot coil cord.
